Chairman Janno Lieber
Metropolitan Transit Authority
2 Broadway
New York, NY 10004

Chairman Lieber,

I recently met with constituents who were concerned about how congestion pricing will affect them as motorcycle drivers. I'm in full support of congestion pricing. That being said, I'd also like to express support for their efforts by stating my belief that motorcycles should be charged less than cars in the final fee structure. I hope you can take this opinion into account as you finalize your plans. Thank you for reading.
